individual full size private offices

- Ready to come to life in your unique design style

“Joining LeAnne at Seventy Seventy has given me the opportunity to present myself as an up & coming professional interior designer without the usual overhead and start-up costs. I needed a creative, professional environment to meet clients and to take my company to the next level. Because of the Studio and our collective group expertise – we have the opportunity to be true leaders in the interior design industry in Calgary.”

— Rochelle Cote - Principal, Rochelle Cote Interior Design
